CYCLORAMA

The hard cyc is 30ft wide and 20ft high. It is painted white but the floor may have scuffs and marks. If you require a freshly painted floor for your shoot, there will be an additional charge of \$100.

ELECTRICAL USAGE

Studio rental fee is based on the use of strobe lighting. If lights are used with a total power draw in excess of 3kw but less than 10kw, there will be an additional electric charge of \$50 per day. If your lighting draws in excess of 10kw contact the studio for surcharges.

EXPENDABLES

There are several colors of 9 foot seamless paper on hand which you can use for your shoot. There will be a \$5 per foot charge for any paper that is not returned in new, pristine condition. If it is dinged, puckered, torn, marked or dirty you will be charged for the amount that is damaged. If a modeling light burns out because of a dropped or bumped strobe head, that is damage and Renter will be charged \$25 for a replacement lamp.

SHOOTING VEHICLES

The studio can accommodate vehicles through a 10ft x 10ft roll up door at the grade level loading bay. If you want to shoot a car or motorcycle, you will have to make that request at the time of booking and there may be an additional charge. Floors must be protected from all tire marks and fluid stains.

EQUIPMENT RENTALS

Lighting and accessories are for rent only in conjunction with studio rental and must be kept on the Premises. If you need to rent lights for a location shoot please see one of several rental houses in the photo district.

EVENTS

The studio is sometimes available for events. Please contact us to discuss rates and dates.
